# Why ipar?

---

IPAR's art collections have always been produced in a contemporary factory for a contemporary life style. Our raw materials which are used in accordance with human life to offer a comfortable living allover the world. are chosen without compromising on quality. Our entire production team are specialists in art, they add passion to our designs thanks to their touches on every distinguished material from fabric to wood.

With the collaborations which we have established with fifty countries around the world, our designs are set up in thousands of lives and are inspiring their homes with our newest models. Also, our designs help you find the perfect style to match your home decor. As you browse the product lineups in our art catalogue, behind every product you see there is a serie of hidden work.

IPART product families are - indeed - life choices which are shaped by the most up-to-date and contemporary collections of innovation and passion. Since its inception, IPAR has been evolving and representing the forgront of this catalog design. IPART epitomizes contemporary style while reinforcing the uniqueness of IPAR collections.

While designs have evolved over the decades, the basic principles of IPAR do not change. Our collections are always adaptable and were created to satisfy every desire. Each piece is a blank canvas that our clients can fill with their own creativity. Every product is crafted with passion and love, as well as unwavering respect that is given to every ingredient. Substantially, each work reflects the emotions of IPAR "art".
