SEVILLA

Home, a place that feels like a tight hug; Where time stands still for just a moment, where the noise of the outside world is blocked out and where you can breathe it all out after being tense all day. From the moment you enter the door, you are safe, you are warm and you are exceptionally loved. There is a certain awe in wandering there is wonder every place that I roam; but no new place to which I venture will have the same wonder as home.
